---

Retro Rewind 90’s word of the day. “No Duh”. The 90’s were all about the attitude, and no duh was the king of attitude. Typically with an eye roll, you used no due when something someone said is saying is obvious. “Dude you gotta stay in class all block...” “No duh – how else you expect me to graduate on time with my 49 credits.”

**Funny Pun Friday:**

- To the person who invented zero – thanks for nothing.
- Can February March? No but April May.
- What if I don't know what apocolypse means, it's not the end of the world.
- Never trust an Atom, they make up everything.

- There was a kidnapping at school yesterday, but don't worry, he woke up.
