Students that plan to try out for a winter sport that are not sure if they have all their paperwork turned in for eligibility clearance to please swing by and see Ms. Janecek in the Athletic Office this morning so I can check if they are on the clearance list or get them the paperwork they need.

Late Bus: If you have not taken the late bus before, and have winter sports starting today, here is how it works. 1. You have to ride a regular bus route to qualify. 2. There is a QR code at the security desk where you need to scan, and sign up for the late bus by 1:00 each day. We generate a list of riders, and the buses load after practice between 5:00 and 5:15. You must check in with security, and must sign up before 1:00, or you won't be allowed to ride the late bus. Final late-bus hint – you have to sign up for this every day.

Theme for the week is cleanliness. Our bathrooms are an area we all share. The ultimate act of kindness to your fellow human, is to leave the restroom as neat as you found it. Common things like, picking up trash, flushing after yourself, being respectful of your time in the restroom, and leaving things nice for the next person will ensure that the restrooms remain open and available for all to use. We have 5 sets of restrooms for more than 2000 people in this building. Do your part to keep them open, clean, and ready for when nature calls.

Theme for the week is cleanliness. Our hallways are a place we all share together. There are trash cans and recycling receptacles on each floor in high traffic areas. With our small, but mighty custodial crew, they are working to keep a very large building clean – and we can all do our part to help take pride in our facility and pick up after ourselves. Remember, if you see something, say something, and that includes spills, messes, etc. Thanks for helping keep North High squeaky clean!
