Hall Sweeps are starting this week. Too many individuals are in the hallways after the bell rings which is a major safety issue, and it impedes learning at North. Consequences for being caught in a hall sweep include after school detentions or late school escalating up to SSC. If you want to be able to continue to make choices at North, don't allow us to catch you in the hall after the bell. Passing periods are 5 minutes, there is a 1 minute warning bell, and teachers take attendance at the late bell.

Fire Drill, Lockout Drill and Shelter Drill discussion will take place this and next week. Please listen for instructions from your teachers, and thank you for your effort to be mindful of our building safety.

Tomorrow home football game at Northwest. Gates open at 6:00. Students who have an activity card will be checked off a list to enter, and all others are Adults are \$7, and students are \$5.
