30 Days to say Yay! Today we recognize our principal, as it is national Principal's month, Dr. Collette Nero. Dr. Nero is a hands on leader who finds herself in classrooms covering for classes, at the security desk looking at cameras, helping with lunch with the cafeteria staff, in the hallways supporting students, and at so many events in our community. We appreciate her work and vision for our school, and want to share in national principal month by celebrating our great leader throughout October.
