**Going on today!**

Hall Sweeps are going on right now. Too many individuals are in the hallways after the bell rings which is a major safety issue, and it impedes learning at North. Consequences for being caught in a hall sweep include after school detentions or late school escalating up to SSC. If you want to be able to continue to make choices at North, don't allow us to catch you in the hall after the bell. Passing periods are 5 minutes, there is a 1 minute warning bell, and teachers take attendance at the late bell. Teachers will be locking doors at the start of each block.

Fire Drill, Lockout Drill and Shelter Drill on Tuesday this week. Please listen for instructions from your teachers, and thank you for your effort to be mindful of our building safety.
