Hallways – Admin are putting in the steps, to help students put in the time. Excellence at North High can only be achieved if you are in your classes. Expect adults to check your passes. Expect adults to assign consequences if you've been out of class for more than 10 minutes. If you're a frequent hallway cruiser, expect to get on the Walters bus to SSC or home for a consultation with parents. North High is the place to be, and the place to be is in class, just like 97% of our Vikings do every single day.

Funny Pun Friday:

- A cheese factory exploded in France. Da Brie is everywhere.
- I heard there was a new store called moderation. They have everything there.
- I'd make an Eminem joke, but the chances of that are pretty slim and a bit shady.
- I don't buy anything with Velcro. It's a total rip-off.
- To whomever stole my copy of Microsoft office, I will find you. You have my word.
