The mission of Omaha North High Magnet School is to prepare all students for success in life-long studies and careers.

PARENTS VERY IMPORTANT

Tuesday, 1/24 in Viking Time students will be given course requests for next year, along with a Course Guide with all of the courses, and their descriptions. Please take some time to review this with your kids to make sure they are making the best class choices for their futures. If you have any concerns contact their counselors. Counselors will be registering students for next year’s classes January 30 - February 3. Freshman and sophomores will register first, followed by Juniors.

THANK YOU!

Congratulations to our Awesome Teachers of the week for the last two weeks nominated by students and colleagues.

Mr. Jon Tindall nominated by his students because he breaks down complex material making it easy for his students to understand. (Physical Science, Astronomy & Honors Astronomy)

Mrs. Andrea Cooney - who treated her AP students to dinner to show appreciation for all their hard work. (AP Biology, Biology and Honors Principles of Bioscience)

Ms. Cherie Connors, her students say that she works hard with them and they know that really cares about them and their success. (English 1-2 & Honors English 1-2)

Ms. Bethany Widman who took the time to set goals with each individual student for second semester (English 3-4 & Honors English 3-4)
Students in Ms. Loder’s Food Chemistry class learned about the Chemistry of emulsions and then experimented with making one (mayonnaise) under the guidance of Metropolitan Community College’s Peter Walsh from the Culinary Arts Program.

**SATURDAYS**
