Congratulations Eleanor “Elmer” Dunning and Bri Crouch on their performances at the State Cross Country meet.

Eleanor was projected to finish 40th and she finished 41st out of 99 competitors. Her time of 21:46 for 5k matched her personal best for the year.

Bri was projected to finish 52nd and she finished 48th of 99 with a time of 20:54. This was only 4 seconds off of her PR.

Finishing where you are “supposed to” or better at State is challenging for any competitor, let alone first-timers which both of our ladies were.

We are extremely proud of Bri and Eleanor!

In Rwanda, on the last Saturday of every month, the Banyarwanda (people of Rwanda) come together for three hours to do work in their communities. They clean, they cook, they paint, they repair, they teach, they help, they contribute to the greater good. This is called "Umuganda" and it simply means contribution.

This past Saturday, a group of students from our newly formed Aegis Students chapter met at North and spent around three hours cleaning up the front, making a small contribution to our community. If you'd like to join us in the future, drop Mrs. Gutierrez or Mr. Gudgel a note.

The students pictured to the left did this entirely of their own selfless desire to make North a little bit better. If you see any of them, please thank them for their umuganda.

The students are: Chaniya Alioth, Anngalisia Govain-Nelson, Isaak Belongia, Branden Sieborg, and Allana Pommier.

Fun at the Homecoming Parade
