Course Description:
Concert Choir also known as North High Singers is an advanced, audition-only performing ensemble that rehearses in preparation for various performances and events throughout the school year. The group performs renaissance, baroque, classical, romantic, modern, and popular/Broadway/film music at five performances a year, as well as continuing to develop an understanding of and ability to execute higher levels of musicianship, professionalism, and participation. It is open for any student who has completed one year of either Men’s Choir, Women’s Choir, or at the instructor’s discretion. Auditions are required to participate in North High Singers. Auditions will be held in May for the following school year. Some exceptions may apply.

Instructional Philosophy
We strive to create a positive environment of respect, accountability, and creativity. All levels of musician should feel comfortable to learn and grow at their own pace, using the resources provided, including the services of Mr. McCauley and more experienced musicians. Such an experience can only be achieved through relaxation, focus, self-improvement, and cooperation. As a group, we rely on each other to fulfill our responsibilities of commitment, individual preparation, and group awareness and participation. Students are encouraged to assist those around them in order to ensure a successful learning process and a spirit of serious performance.

Lack of written notice 48 hours in advance will automatically result in an unexcused absence, but written notice 48 hours in advance does not guarantee an excused absence. Considerable reasons for excused absences include illness, death in the family, or emergency. Inexcusable reasons include (but are not limited to) work, lack of a ride, homework, sporting event, family or community functions (extracurricular events, such as athletic practices or competitions, cheerleading practices or performances, Robotics practices or competitions, and other similar events do not supersede Choir performances, which are graded). Tardies for any reason that fall between call-time and performance time will result in 0.5 points removed from the total performance grade (3.5 out of 4). Tardies for any reason that fall during or after performance time will be considered an absence.

Assessment
• Each rehearsal will be graded (formative). Students will be graded according to execution of the expectations laid out in the rehearsal concepts, etiquette, and levels section of this syllabus. Grades will be recorded according to the rubric attached.
• Each performance is graded (summative with an added weight of x2, 3, or 4, dependent on type of performance; see below). Each performance will include a participation aspect and a musical aspect. Students with an excused absence from a performance will be allowed two weeks to make up the musical aspect-- but not the participation aspect--of the grade by performing the music for Mr. Haupt after school. Students are expected to approach Mr. Haupt about making up performance grades. Students with an unexcused absence will not be allowed to make up any part of the grade.
  o School Concert Choir concerts will be weighted x3.
  o Choir Adjudication will be weighted x3.
  o District Music Contest will be weighted x4.
  o Commencement will be weighted x2.
• Memorization checks and singing tests will occur frequently (formative with an added weight of x2) to determine progress and proficiency. All students will be required to achieve a 3 or higher on singing tests (graded according to the attached rubric). If a 3 or higher is not achieved, students have one week to prepare and retake the singing test. The playing test must be retaken until a score of 3 or above is achieved or until the week of the concert, whichever comes first. If a 3 or a 4 is not achieved by the week of the performance, students will not be permitted to perform at the performance, which will be reflected in the musical aspect of the performance grade (although attendance is still expected and will be graded as the participation aspect).
• Quizzes will occur frequently (formative with an added weight of x2).
• **Written finals will occur at the end of each semester** (summative with an added weight of x3). These finals will cover everything learned up to that point in the year, including musical terms and symbols, rhythms, marching techniques, drill setting, and more.

**OPS Secondary Grading Practices***

All coursework and assessments are judged based on the level of student learning from “below basic” to “advanced.” This course will provide multiple opportunities to achieve at the “proficient” to “advanced” levels. Students are evaluated based on a proficiency scale or project rubric. Proficiency scales for this course are available upon request (teacher will identify location such as portal, teacher website, attached, etc.).

**There are three types of coursework***

- **Practice**: Assignments are brief and done at the beginning of learning to gain initial content (e.g., student responses in discussion or in written form, a valid sampling of ability on performance repertoire, technique exercises, etc.). Practice assignments are not generally graded for accuracy (descriptive feedback will be provided in class) and are not part of the grade. Teachers may keep track of practice work to check for completion, and students could also track their practice work. Practice work is at the student’s instructional level and may only include “Basic” (level 2) questions.

- **Formative (35% of grade)**: Assessments/assignments occur during learning to inform and improve instruction. They are minor assignments (playing tests, pop-quizzes both written and performed). Formative assignments are graded for accuracy and descriptive feedback is provided. Formative work may be at the students’ instructional levels or at the level of the content standard. Formative assessments/assignments will have all levels of learning: Basic (2), Proficient (3), and Advanced (4), which means that for every formative assessment/assignment, students will be able to earn an Advanced (4) grade. Teachers will require students to redo work that is not of high quality to ensure rigor and high expectations. The students’ scores on assessment that was redone will be their final score.

- **Summative (65% of the final grade)**: Assessments/assignments are major end-of-learning unit tests, projects, and performances used to determine mastery of content or skill. Summative assignments are graded on accuracy. Summative assignments assess the students’ progress on grade level standards and may not be written at the students’ instructional levels. Summative assessments/assignments will have all levels of learning: Basic (2), Proficient (3), and Advanced (4), which means that for every formative assessment/assignment, students will be able to earn an Advanced (4) grade.

To maintain alignment of coursework to content standards, which is a key best practice for standards-based grading, teachers will utilize a standardized naming convention for each of the standards within a course. The content standard will be marked on each assignment, entered into Infinite Campus (District Grading Program) using all capital letters followed by a colon. After the colon will be the title of the coursework. At the end of the grading period, scores are converted to a letter grade using the following grading scale:
<table>
<thead>
<tr>
<th>Grade</th>
<th>Range</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>3.26 – 4.00</td>
</tr>
<tr>
<td>B</td>
<td>2.61 – 3.25</td>
</tr>
<tr>
<td>C</td>
<td>1.76 – 2.50</td>
</tr>
<tr>
<td>D</td>
<td>1.01 – 1.75</td>
</tr>
<tr>
<td>F</td>
<td>0.00 – 1.00</td>
</tr>
</tbody>
</table>

Redoing/Revising Student Coursework*
1. Students are responsible for completing all coursework and assessments as assigned.
2. Students will be allowed redos and revisions of coursework for full credit as long as they are turned in during that unit of study while a student still has an opportunity to benefit from the learning. When time permits, teachers should allow the redoing and revising of summative assessments.
3. Students are expected to complete assessments when given to the class, or if a student was justifiably absent, at a time designated by the teacher.
4. Redoing, retaking, or revising will be done at teacher discretion in consultation with the students and parents/guardian. Teachers may schedule students before, during, and after school to address needed areas of improvement if not convenient during class. The time and location for redoing, retaking, or revising will be done at the teacher’s discretion in consultation with the student and parents/guardian.
