SCHOOL PARKING REGULATIONS

1. Only seniors and juniors may use the parking lot.
2. All automobiles parked in the school parking lots must be registered with the school and must display a current parking permit in the rear view mirror.
3. Parking is strictly limited to the student parking areas. Students parking in the faculty (South) lot will be ticketed. Parking ticket fines will be \$10.00 for illegally parked cars. Cars will be towed at the owner's expense on the 3rd violation.
4. To facilitate identification, automobiles are to be parked front end first, one car per stall.
5. All students must be licensed and covered by insurance. The school is not responsible for the automobile or its contents.
6. There is to be no loitering in the parking lot or visitation of it without permission. The parking lot is off limits during the school day.
7. There will be no speeding, over 5 miles per hour or any form of reckless driving on the school grounds.
8. Student vehicles may be subject to search if there are reasonable grounds to believe that drugs, alcohol, stolen property or other contraband might be present in that vehicle.
9. Parking regulations are strictly enforced. It is considered a privilege to park on school grounds. Suspension of driving privileges, tickets, towing of vehicles and/or suspension from school may occur when violations of these regulations occur.
10. Students applying for receiving parking stickers fully understand their responsibility in following these rules. If you drive a second vehicle, you must also register this vehicle with the office. **Parking permits are non-transferable.**
