Dear Parents/Guardians,

Health and safety remain our priority. To assist us with our effort in keeping students, staff and families safe, we are asking you to conduct a daily health screening on your child(ren) every day prior to sending them to school.

Please assess and/or ask your child(ren) the following screening questions before sending them to school.

**Does your child have one of the following?**
- New cough
- New onset of shortness of breath
- New loss of taste or smell

**Does your child have two or more of the following?**
- Fever of 100.4 or greater
- Chills
- Muscle aches
- Headache
- Sore throat
- Nausea, vomiting or diarrhea

**If you answer yes to the above questions, please do not send your child to school. Instead:**
- Notify the school of your child's absence
- Contact your child's health care provider
- Get your child tested for COVID-19
- Do not send your child to school until they have a negative test result or have been cleared by their health care provider

Anyone 12 years of age or older is eligible to be vaccinated. Minors, 12 thru 18 years of age must be accompanied by an adult/guardian to be vaccinated.
